## **SUMMARY OF SETTLEMENT**

This litigation (the “Action”) is a class action in which Plaintiffs— Joshua Garcia, Andrea P. Brandt and Howard Hart —allege that the Defendants breached ERISA fiduciary duties owed to the participants and beneficiaries of the Plan by, among other things, failing to attempt to reduce the Plan’s expenses or exercise appropriate judgment to scrutinize each investment option that was offered in the Plan to ensure it was prudent. A copy of the Complaint as well as other documents filed in the Action are available at [www.AlticorERISASettlement.com](http://www.AlticorERISASettlement.com) or from Class Counsel. Defendants have denied and continue to deny all of the claims and allegations in the Action and deny any liability or wrongful conduct of any kind. Defendants believe they have administered the Plan lawfully, properly, prudently, and in the best interests of all Plan participants.

A Settlement Fund consisting of \$1,510,000.00 (one million and five hundred and ten thousand dollars) in cash (the “Gross Settlement Amount”) is being established in the Action. The Gross Settlement Amount will be deposited by insurers into an escrow account, and the Gross Settlement Amount, together with any interest earned, will constitute the Settlement Fund. Payment of any taxes, approved attorneys’ fees and litigation expenses; payment of Case Contribution Awards to Plaintiffs; and the costs of administering the Settlement will be paid out of the Settlement Fund. After the payment of such fees, expenses, and awards, the amount that remains will constitute the Net Settlement Amount. The Net Settlement Amount will be allocated to Settlement Class members according to a Plan of Allocation to be approved by the Court.

### **STATEMENT OF POTENTIAL OUTCOME OF THE ACTION**

Defendants strongly dispute each of the claims asserted in the Action and deny that they ever engaged in any wrongdoing, violation of law or breach of duty. Further, Plaintiffs would face an uncertain outcome if the Action were to continue. If settlement had not been reached, Defendants would present evidence that they reasonably and prudently managed the Plan’s investment options and fees and fulfilled all of their fiduciary obligations. As a result, continued litigation could result in a judgment in favor of the Defendants and against Plaintiffs and Class. Even if the Plaintiffs and Class prevailed, they might recover a judgment less than the amount obtained as part of the Settlement, or no recovery at all.

Plaintiffs and the Defendants disagree on liability and do not agree on the amount that would be recoverable even if Plaintiffs were to prevail at trial. The Defendants deny all claims and contentions by Plaintiffs. The Defendants deny that they are liable to the Settlement Class and that the Settlement Class or the Plan has suffered any damages for which the Defendants could be held legally responsible. Having considered the uncertainty, costs and risks inherent in any litigation, particularly in a complex case such as this, Plaintiffs and Defendants have concluded that it is desirable that the Action be fully and finally settled on the terms and conditions set forth in the Settlement Agreement.

### **STATEMENT OF ATTORNEYS’ FEES AND EXPENSES SOUGHT IN THE ACTION**

Class Counsel will apply to the Court for an order awarding attorneys’ fees not in excess of thirty-three and one third percent (33 1/3%) of the Gross Settlement Amount (a maximum amount of \$503,283.00), plus reimbursement of expenses not to exceed \$100,000.00. Any amount approved by the Court will be paid from the Settlement Fund.

### **WHAT WILL THE PLAINTIFFS GET?**

Plaintiffs will share in the allocation of the Net Settlement Amount on the same basis as all other members of the Settlement Class. In addition, Plaintiffs will ask the Court to award up to \$10,000 to each of the Plaintiffs as Case Contribution Awards for their participation in the Action and representation of the Settlement Class. Any such awards will be paid solely from the Settlement Fund.

## BASIC INFORMATION

### 1. Why did I get this Notice Package?

You or someone in your family may have been a participant in or a beneficiary of the Plan **during the period from November 9, 2014 to July 10, 2024**.

The Court directed that this Notice be sent to you because, if you fall within the definition of the Settlement Class, you have a right to know about the Settlement and the options available to you regarding the Settlement before the Court decides whether to approve the Settlement. If the Court approves the Settlement, and after any objections and appeals are resolved, the Net Settlement Amount will be distributed to the Settlement Class members according to a Court-approved Plan of Allocation described below. This Notice describes the Action, the Settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

### 2. What is the Action about?

The Action claims that under ERISA, the Defendants owed fiduciary duties of care and prudence to the Plan and that they violated those duties in connection with the selection and monitoring of the Plan's investment options and administrative services. Plaintiffs allege that Defendants did not exercise appropriate judgment to scrutinize each investment option that was offered in the Plan to ensure it was prudent. Additionally, Plaintiffs allege Defendants failed to prudently monitor the recordkeeping fees charged to Plan participants resulting in excessive fees. Recordkeeping in simple terms refers to the suite of administrative services provided to retirement plan participants that generally includes provision of account statements to participants.

### THE DEFENSES IN THE ACTION

Defendants deny all of the claims and allegations made in the Action and deny that they ever engaged in any wrongful conduct. Defendants agreed to settle the Action to avoid the expense, burdens, and distraction of continued litigation to trial and appeals. If the Action were to continue, the Defendants would raise numerous defenses to liability, including:

- Defendants did not engage in any of the allegedly improper conduct charged in the Complaint;
- Defendants reasonably and prudently managed the Plan's investment options and fees, including all recordkeeping fees, and fulfilled all of their fiduciary obligations;
- The Plan's investment options were and are reasonable, prudent, and sound investment options for Plan participants;
- Even if a court were to determine that Defendants failed to discharge any duty under ERISA, any such breach of fiduciary duty did not cause the Plan or its participants to suffer any loss.

### THE ACTION HAS BEEN AGGRESSIVELY LITIGATED

Class Counsel has investigated the allegations in the Class Action. Among other efforts, Class Counsel reviewed Plan-governing documents and materials, communications with Plan participants, news articles and other publications, and other documents regarding the general and specific matters that were alleged in the Complaint filed on November 9, 2020. On March 3, 2021, Defendants filed a Motion to Dismiss Plaintiffs' Complaint. After the Parties fully briefed the merits of the motion to dismiss, the Court issued an order on August 9, 2021 denying the motion. Thereafter, Defendants filed an Answer to the Complaint on September 21, 2021. On July 19, 2022, following a decision by the Sixth Circuit Court of Appeals in the case of *Smith v. CommonSpirit Health*, No. 21-5964, 37 F.4th 1160 (6th Cir. 2022) Defendants filed a motion for partial reconsideration of the Court's motion to dismiss order. Plaintiffs opposed the motion and the Court denied it. The Parties jointly stipulated to certification of

a class on March 6, 2023, which was approved by the Court on March 8, 2023. On September 15, 2023, Defendants filed a motion for summary judgment and to exclude Plaintiffs' expert. After full briefing on both motions, and oral argument, the Court granted judgment in Defendants' favor on some of the claims, and disqualified Plaintiffs' expert in part. The court allowed other claims to proceed to trial. The matter settled before the trial occurred, thus the Court did not render any decisions finding Defendants' liable for any of the claims asserted.

### **SETTLEMENT DISCUSSIONS**

Settlement discussions were robust and arms' length at all times. The Parties attended a full-day mediation with a neutral private mediator, Robert Meyer of JAMS on August 17, 2023. The Parties made progress but ultimately were unable to resolve the case at the time. Following the Court's decision on Defendants' motions for summary judgment and to exclude Plaintiffs' expert, the Parties attended a settlement conference with Magistrate Judge Phillip J. Green where the matter settled.

### **3. Why is this case a Class Action?**

In a class action, one or more plaintiffs, called "class representatives," "plaintiffs," or "named plaintiffs," sue on behalf of people who have similar claims. All of these people who have similar claims collectively make up the "class" and are referred to individually as "class members." One case resolves the issues for all class members together. Because the conduct alleged in this Class Action is claimed to have affected a large group of people – participants in the Plan during the Class Period – in a similar way, Plaintiffs filed this case as a class action.

### **4. Why is there a Settlement?**

As in any litigation, all parties face an uncertain outcome. On the one hand, continuation of the case against the Defendants could result in a judgment greater than this Settlement. On the other hand, continuing the case could result in Plaintiffs obtaining no recovery at all or obtaining a recovery that is less than the amount of the Settlement. Based on these factors, Plaintiffs and Class Counsel have concluded that the proposed Settlement is in the best interests of all Settlement Class members.

### **5. How do I know whether I am part of the Settlement?**

You are a member of the Settlement Class if you fall within the definition of the Settlement Class preliminarily approved by Judge Paul L. Maloney:

All persons, except individual Defendants and their immediate family members, who were participants in or beneficiaries of the Plan, at any time during the Class Period, and any Alternate Payee of a Person subject to a QDRO who participated in the Plan at any time during the Class Period.

The "class period" referred to in this definition is from November 9, 2014 to July 10, 2024. If you are a member of the Settlement Class, the amount of money you will receive, if any, will depend upon the Plan of Allocation, described below.

## **THE SETTLEMENT BENEFITS—WHAT YOU GET**

### **6. What does the Settlement provide?**

Provided that the Settlement becomes Final, a Settlement Fund consisting of \$1,510,000.00 will be established in the Action. The amount of money that will be allocated among members of the Settlement Class, after the payment of any taxes and Court-approved costs, fees, and expenses, including attorneys' fees and expenses of Class Counsel, any Court-approved Case Contribution Awards to be paid to Plaintiffs, and payment of expenses incurred in calculating the Settlement payments and administering the Settlement, is called the Net Settlement Amount.

QUESTIONS? VISIT [WWW.ALTICORERISASETTLEMENT.COM](http://WWW.ALTICORERISASETTLEMENT.COM) OR CALL TOLL-FREE 833-551-9728  
DO NOT CONTACT THE COURT OR ALTICOR WITH YOUR QUESTIONS.

The Net Settlement Amount will not be known until these other amounts are quantified and deducted. The Net Settlement Amount will be allocated to members of the Settlement Class according to a Plan of Allocation to be approved by the Court. The Plan of Allocation describes how Settlement payments will be distributed to Settlement Class members who receive a payment.

If the Settlement is approved by the Court, all Settlement Class members and anyone claiming through them shall be deemed to fully release the Released Parties from Released Claims.

The Released Parties are (a) Defendants, their representatives, attorneys, agents, directors, officers, or employees; (b) Defendants' insurers, co-insurers, excess carriers, and reinsurers, (c) Alticor's direct and indirect, past, present or future parents, subsidiaries, affiliates, divisions, joint ventures, predecessors, successors, successors-in-interest, and assigns, and each Person that controls, is controlled by, or is under common control with them, (d) the Plan and the Plan's current and past fiduciaries, administrators, plan administrators, recordkeepers, service providers, consultants, and parties-in-interest and (e) Defendants' current and past agents, officers, employees, trustees, Board of Directors, and members of the Board of Directors.

The above description of the proposed Settlement is only a summary. The complete terms, including the definitions of the Released Parties and Released Claims, are set forth in the Settlement Agreement (including its exhibits), which may be obtained at a dedicated Settlement Internet site, [www.AlticorERISAsettlement.com](http://www.AlticorERISAsettlement.com).

## 7. How much will my payment be?

Each Settlement Class member's share will be calculated according to a Court-approved Plan of Allocation by a third-party vendor ("Settlement Administrator") selected by Class Counsel. You are not required to calculate the amount you may be entitled to receive under the Settlement as the Settlement Administrator will do so under the Plan of Allocation. In general, your proportionate share of the Settlement will be calculated as follows:

- First, the Settlement Administrator will obtain balances for each Settlement Class member in their Plan accounts as of November 9, 2014, or the balance reflected in their 2014 fourth quarter statement, whichever balance is more practical to obtain, and on December 31 of each subsequent year of the Class Period up to and including 2023. For 2024, a Plan participant's balance on June 30, 2024, or the balance reflected in their 2024 second quarter statement, whichever balance is more practical to obtain, will be used. For Class Members who had a balance in their accounts at the beginning of the Class Period, but liquidated their account prior to June 30, 2024, the balance of their account at the time of their last quarterly statement will be the balance used for purposes of calculating an award under the Plan of Allocation. Each Class Member's account balances for each year of the Class Period based on the account balances as of these dates will be summed. This summed amount will be that Class Member's "Balance."
- Second, the Balance for all Class Members will be summed.
- Third, each Class Member will receive a share of the Net Settlement Amount in proportion to the sum of that Class Member's Balance as compared to the sum of the Balance for all Class Members, *i.e.* where the numerator is the Class Member's Balance and the denominator is the sum of all Class Members' Balances.
- The amounts resulting from this initial calculation will be known as the Preliminary Entitlement Amount. Class Members who are entitled to a distribution of less than \$10.00 will receive a distribution of \$10.00 (the "De Minimis Amount") from the Net Settlement Amount. In other words, the Settlement Administrator shall progressively increase Class Members' awards falling below the De Minimis Amount until the lowest participating Class Member award is the De Minimis Amount, *i.e.* \$10.00. The resulting calculation shall be the Final Entitlement Amount for each Class Member. The sum of the Final Entitlement Amount for each Class Member will equal the dollar amount of the Net Settlement Amount.

QUESTIONS? VISIT [WWW.ALTICORERISASETTLEMENT.COM](http://WWW.ALTICORERISASETTLEMENT.COM) OR CALL TOLL-FREE 833-551-9728  
DO NOT CONTACT THE COURT OR ALTICOR WITH YOUR QUESTIONS.

**You will not be required to produce records that show your Plan activity.** If you are entitled to a share of the Settlement Fund, your share of the Settlement will be determined based on the Plan's records for your account. If you have questions regarding the allocation of the Net Settlement Amount, please contact Class Counsel listed on Page 2 above.

## 8. How may I receive a payment?

You do not need to file a claim. The Entitlement Amount for Settlement Class members with an Active Account (an account with a positive balance) as of the date of the calculation of the Final Entitlement Amount, will be allocated into their Plan account (unless that Plan account has been closed in the intervening period between the calculation of the Entitlement Amount and the payment of the Entitlement Amount, in which case that Class Member will receive their allocation via a check from the Settlement Administrator. Former Participants (*i.e.*, Settlement Class members without an Active Account) will receive their allocation via a check from the Settlement Administrator

All such payments are intended by the Settlement Class to be "restorative payments" in accordance with Internal Revenue Service Revenue Ruling 2002-45. Checks issued to Former Participants pursuant to this paragraph shall be valid for 180 days from the date of issue. If you are a former Plan participant and have not provided the Plan with your current address, please contact Class Counsel listed on Page 2 above.

Each Class Member who receives a payment under this Settlement Agreement shall be fully and ultimately responsible for payment of any and all federal, state, or local taxes resulting from or attributable to the payment received by such person.

## 9. When would I get my payment?

The Settlement cannot be completed unless and until several events occur. These events include final approval of the Settlement by the Court, approval of the Settlement by an independent fiduciary to the Plan, transfer of the Net Settlement Amount to the Plan, and calculation of the amount of the Settlement owed to each Settlement Class member. If objections are made to the Settlement or appeals are taken by objectors who oppose the approval of the Settlement, this process may take a long time to complete, possibly several years.

**There will be no payments if the Settlement Agreement is terminated.**

The Settlement Agreement may be terminated for several reasons, including if (1) the Court does not approve or materially modifies the Settlement Agreement, or (2) the Court approves the Settlement Agreement but the approval is reversed or materially modified by an appellate court. If the Settlement Agreement is terminated, the Action will proceed in litigation again as if the Settlement Agreement had not been entered into. The Settlement is not conditioned upon the Court's approval of attorneys' fees or the reimbursement of expenses/costs sought by Class Counsel, the Case Contribution Awards sought by Plaintiffs, or any appeals solely related thereto.

## 10. Can I get out of the Settlement?

**You do not have the right to exclude yourself from the Settlement.** The Settlement Agreement provides for certification of the Settlement Class as a non-opt-out class action under Federal Rule of Civil Procedure 23(b) (1), and the Court has preliminarily determined that the requirements of that rule have been satisfied. Thus, it is not possible for any Settlement Class members to exclude themselves from the Settlement. As a Settlement Class member, you will be bound by any judgments or orders that are entered in the Class Action for all claims that were or could have been asserted in the Class Action or are otherwise released under the Settlement.

Although you cannot opt out of the Settlement, you can object to the Settlement and ask the Court not to approve it. For more information on how to object to the Settlement, see the answer to Question 13 below.

## THE LAWYERS REPRESENTING YOU

### 11. Do I have a Lawyer in the case?

### 12. How will the Lawyers be paid?

Class Counsel will file a motion for the award of attorneys' fees of not more than one third (33 1/3%) of the Gross Settlement Amount, plus reimbursement of expenses incurred in connection with the prosecution of the Action. This motion will be considered at the Fairness Hearing described below.

### OBJECTING TO THE ATTORNEYS' FEES

By following the procedures described in the answer to Question 13, you can tell the Court that you do not agree with the fees and expenses the attorneys intend to seek and ask the Court to deny their motion or limit the award.

### 13. How do I tell the Court if I do not like the Settlement?

You may participate in the Fairness Hearing, **which may be held telephonically or by video conference**, and you may ask to speak, but you do not have to participate in the Fairness Hearing to have your objection considered. **It is your obligation to ensure that your written objection is filed with the Court by no later than November 4, 2024.**

### 14. When and where will the Court decide whether to approve the Settlement?

The Fairness Hearing currently is scheduled for 10:00 a.m on November 18, 2024, at the United States District Court for the Western District of Michigan, 137 Federal Bldg, 410 W. Michigan Ave, Kalamazoo, MI 49007-3810 before the Hon. Paul Maloney, or such other courtroom as the Court may designate. **The Court may adjourn the Fairness Hearing without further notice to the Settlement Class and also may schedule the hearing to be done by telephone or video conference. If you wish to attend, you should confirm the date and time of the Fairness Hearing with Class Counsel before doing so.** At that hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are objections, the Court will consider them. The Court will also rule on the motions for attorneys' fees and reimbursement of expenses and for Case Contribution Awards for Plaintiffs. The Parties do not know how long these decisions will take or whether appeals will be filed.

### 15. Do I have to come to the Hearing?

No, but you are welcome to come at your own expense. If you file an objection, you do not have to come to Court to talk about it. As long as you mailed your written objection on time, it will be before the Court when the Court considers whether to approve the Settlement. You also may pay your own lawyer to attend the Fairness Hearing, but such attendance is also not necessary.

### 16. May I speak at the Hearing?

If you submit a written objection to the Settlement to the Court and counsel before the Court-approved deadline, you may (but do not have to) attend the Fairness Hearing and present your objections to the Court. You may attend the Fairness Hearing even if you do not file a written objection, but you will only be allowed to speak at the Fairness Hearing if you file a written objection in advance of the Fairness Hearing AND you file a Notice of Intention To Appear, as described in this paragraph. To do so, you must file with the Court a letter or other paper called a "Notice of Intention To Appear at Fairness Hearing in *Garcia et al. v. Alticor, Inc. et al.*, No. 1:20-cv-01078-PLM-PJG (W.D. Mich.))" Be sure to include your name, address, telephone number, and your signature.
